### **LETTER OF AUTHORIZATION**

Dear Jennifer,

According to our existing agreement from August 30<sup>th</sup>, 2006, we officially confirm again that MGG will still furnish you with all types of lamps which are used by AIRBUS INDUSTRIES for their family of Airbusses.

MGG will also provide you with all technical information concerning our products.

For all deliveries you will receive a CoC (Certificate of Conformity) which confirms the unobjectionable condition and production according to the present valid norms, standards and specifications.

This promise does not only comprise the Airbus lamps, but also the complete MGG-program of lamps, lampholders, colored filter caps as well as other related components – shown in our current catalog MGG #3 as well as in future editions.

B.A.P. shall be allowed to use or publish our company's trade name or trademark strictly in association with the sale of the products and then only in signage, point of sale displays, letterheads, business cards, price lists, catalogs, advertising, telephone listing and vehicles used exclusively by B.A.P.

We hope that our business relation will remain in a good mutual and successful cooperation and remain,

Yours faithfully,  
MGG MICRO-GLÜHLAMPEN-GESELLSCHAFT  
Menzel GmbH
